**Delaware North Companies Gaming & Entertainment** is one of the most innovative gaming and racing operators in the United States, specializing in creating casinos at racing venues by integrating various entertainment and hospitality amenities. These include video gaming machines, poker and other table games, simulcasts of races from around the country, restaurants, nightclubs, retail shops and hotels.

The company, a subsidiary of global hospitality management and food service provider Delaware North Companies, also provides these services to mid-size casinos through its Gaming Hospitality Group.

Delaware North Companies Gaming & Entertainment oversees more than 5,000 video gaming machines at seven racing and gaming venues across the country in New York, Arizona, Florida, West Virginia, and Arkansas.

In 2004, the company became the first operator of video lottery terminals (VLTs) in New York at Saratoga Gaming and Raceway, which the company operated until early 2009 under a five-year management agreement.
